BENEFITS OF CARPOOLING

Designated Carpool Parking

Take advantage of free designated carpool parking spots located at Clarkson GO.

Decrease Stress

Research suggests that carpoolers have lower levels of stress. Take advantage of being a passenger by reading a good book, getting some work done or taking a nap.

Save Money

Carpooling can reduce your vehicle expenses by 50 – 70%.

Reduce Emissions

Carpooling reduces the number of vehicles on the road, which reduces GHG (Greenhouse Gas) emissions and promotes better air quality.

Reduce Traffic Congestion

If every commuter used a sustainable travel mode once a week, there would be a 20% reduction in traffic. That is equivalent to summer traffic patterns all year long!

CARPOOLING TIPS

SHARE THE COST

Determine if cost sharing will apply to your carpool. If drivers and vehicles are not alternated, agree on cost sharing and payment dates.

EXCHANGE CONTACT INFORMATION

Contact your carpool if unscheduled changes or unforeseen circumstances arise to ensure alternative plans can be made in advance.

DETERMINE CARPOOL ROUTE & SCHEDULE

Establish meeting points and pick-up/drop-off times for morning and returning trips. Confirm driving responsibilities on a daily, weekly, or monthly basis.

BE PUNCTUAL

Determine wait times for pick-up and drop-off before leaving.

CARPOOL ETIQUETTE

Discuss expected carpool etiquette and come to an agreement. Common topics to discuss include smoking, music, cell phone use, food/drinks, etc.
